The Power of Play

Play is an essential element in the development of well-rounded, healthy children. It is vital to their intellectual, social, emotional, and physical development.

- Robert Michnick-Golinkoff, Ph.D. and Kathy Jirsh-Pasek, Ph.D.

Research shows that children who PLAY regularly with adults experience the greatest developmental benefits. It helps children know they are loved, enhances self-esteem and builds healthy relationships.

PLAY ...

- Lays the foundation for reading, writing, mathematical reasoning, creativity, critical thinking and a general love for life and learning.
- Fosters social skills like sharing, listening, following directions, cooperation and conflict resolution.
- Nurtures emotional skills like self-control, self-reliance, setting realistic expectations and resiliency.
- Builds physical skills involving balance, hand-eye coordination, flexibility and agility.
- Develops skills that are necessary for success in school and the future workplace.
- Inspires a happy productive life.

Imagine Children’s Museum emerged to fulfill the need for a place where children and their families could spend quality time PLAYFULLY learning together year-round. The Museum is a unique cornerstone in Snohomish County, giving children informal learning experiences that support the growth and wellbeing of our children and our community.

Impacts

PLAYING TOGETHER
Exhibits, programs and activities are designed to engage children ages 1-12 and accompanying adults important in the child's life. Caring adults are a child's first play partner, teacher and role model.

ENGAGING HANDS-ON EXHIBITS
Unique exhibits spark imaginations, pique curiosity, encourage problem solving, promote cooperative play and are “fun” for the young and young-at-heart.

INFUSING FUN INTO LEARNING
Art, culture, history, science, health and other subjects are injected with a WOW factor, ensuring that learning is fun for all.

CELEBRATING DIVERSITY AND OPENING WINDOWS TO THE WORLD
Cultural events and activities allow children to experience the world with increasing awareness, understanding and mutual respect.

BUILDING LIFE-LONG RESILIENCY
Museum play provides a myriad of experiences that allow children to interact with others. Early interactions are the foundation for how children respond to challenging situations throughout their lives. Through play, caring adults become active participants in the child's development.

EMBRACING EQUITY
Focused programs meet the needs of a variety of special groups who are often underserved. Examples include Military Sundays, Sensory Time (autism), summer Discovery Club (reading intervention), GRANDFamilies and Afterschool Science Clubs (low-income).

ELIMINATING BARRIERS
Free & reduced admissions remove financial road blocks. Expanded hours accommodate working families. Bilingual staff, programs and materials create a welcoming environment. Exhibits are thoughtfully designed to enable intuitive playful interaction, removing language and reading barriers.

CULTIVATING LIFE-LONG LEARNING
Playful Museum experiences allow children to learn in challenging and meaningful ways that lead to fun-filled aha! moments. When play is nurtured children thrive and develop a love of learning that lasts a lifetime.

INSTILLING A SENSE OF BELONGING
The Museum is a gathering place where children and families come together and connect, fostering new friendships and links within the community. Now more than ever, connectedness is a vital part of well-being for both children and adults.

ACCREDITED INSTITUTION
In 2017 Imagine achieved American Alliance of Museums accreditation, the highest national recognition afforded the nation’s museums. Accreditation brings recognition to Imagine for its commitment to excellence, accountability, high professional standards and continued institutional improvement. Of the 33,000 museums in the U.S., just over 1,000 have earned the distinction of accreditation and fewer than 20 are children’s museums. Imagine is proud to be the first accredited children’s museum in the Pacific Northwest.

“Accreditation is clearly a significant achievement, of which both the institutions and the communities they serve can be extremely proud.”
Laura L. Lott, Alliance President and CEO

FISCAL RESPONSIBILITY RECOGNIZED
Imagine has earned its third consecutive 4-star rating from Charity Navigator, America’s leading independent evaluator of charities, for financial health, accountability, and transparency. “Only 18% of the charities we evaluate have received at least four consecutive 4-star evaluations… This exceptional designation sets Imagine apart from its peers and demonstrates to the public its trustworthiness.”
Michael Thatcher, Charity Navigator President & CEO

- O. Fred Donaldson
