2021 ANNUAL REPORT
Imagine Children’s Museum

MISSION
To utilize playful learning to enrich children’s lives.
We are committed to:
Celebrating creativity and imagination
Helping young learners thrive
Instilling a community connection
Learning experiences powered by play
Developing unique exhibits and programs
Reaching out to all children
Embracing diversity and inclusion
Nurturing child/caring adult interaction

BELIEFS
• All children need nurturing
• A lifelong love of learning starts with play
• Learning occurs in many different ways
• Interactive, hands-on, experiential opportunities cultivate inquisitive minds
• Play is essential to learning and the healthy development of a child
• Children flourish in physically and emotionally safe environments
• Early childhood experiences significantly influence a child’s future
• All children deserve opportunities to playfully learn
• Families are important as a child’s first teacher and role model
• Connection to a caring community establishes a sense of belonging
• Community wellbeing is directly impacted by the wellbeing of children and families
• Diverse groups that join together to support and educate children enrich our community and society

Where FUN begins and LEARNING never ends!

TECHNOLOGY • SCIENCE • ART • MATH • CULTURE

LITERACY • ENGINEERING • HISTORY • HEALTH
The Power of Play

**Play** is an essential element in the development of well-rounded, healthy children. It is vital to their intellectual, social, emotional, and physical development.

- Roberta Golinkoff, Ph.D. and Kathy Hirsh-Pasek, Ph.D.

Research shows that children who **PLAY** regularly with adults experience the greatest developmental benefits. It helps children know they are loved, enhances self-esteem and builds healthy relationships.

**PLAY ...**

- Lays the foundation for reading, writing, mathematical reasoning, creativity, critical thinking and a general love for life and learning.
- Fosters social skills like sharing, listening, following directions, cooperation and conflict resolution.
- Nurtures emotional skills like self-control, self-reliance, setting realistic expectations and resiliency.
- Builds physical skills involving balance, hand-eye coordination, flexibility and agility.
- Develops skills that are necessary for success in school and the future workplace.
- Inspires a happy productive life.

Imagine Children's Museum emerged to fulfill the need for a place where children and their families could spend quality time **PLAYFULLY** learning together year-round. The Museum is a unique cornerstone in Snohomish County, giving children informal learning experiences that support the growth and wellbeing of our children and our community.

**Museum Highlights**

- **43,612** Museum Visitors
- **6,726** Community Outreach Participants
- **3,002** Member Families
- **5,801** Free or Reduced Admissions
- **459** Virtual Program Sessions with **5,470** Participants

*In 2021, the Museum building was closed until June 3 due to the COVID-19 pandemic.*
Impacts

PLAYING TOGETHER
Exhibits, programs and activities are designed to engage children ages 1-12 and accompanying adults important in the child’s life. Caring adults are a child’s first play partner, teacher and role model.

ENGAGING HANDS-ON EXHIBITS
Unique exhibits spark imaginations, pique curiosity, encourage problem solving, promote cooperative play and are “fun” for the young and young-at-heart.

INFUSING FUN INTO LEARNING
Art, culture, history, science, health and other subjects are injected with a WOW factor; ensuring that learning is fun for all.

CELEBRATING DIVERSITY AND OPENING WINDOWS TO THE WORLD
Cultural events and activities allow children to experience the world with increasing awareness, understanding and mutual respect.

BUILDING LIFELONG RESILIENCY
Museum play provides myriad experiences that allow children to interact with others. Early interactions are the foundation for how children respond to challenging situations throughout their lives. Through play, caring adults become active participants in the child’s development.

EMBRACING EQUITY
Focused programs meet the needs of a variety of special groups who are often underserved. Examples include Sensory Time (autism), summer Discovery Club (reading intervention), GRANDFamilies and Afterschool Science Clubs (low-income).

ELIMINATING BARRIERS
Free & reduced admissions remove financial road blocks. Expanded hours accommodate working families. Bilingual staff, programs and materials create a welcoming environment. Exhibits are thoughtfully designed to enable intuitive playful interaction, removing language and reading barriers.

CULTIVATING LIFELONG LEARNING
Playful Museum experiences allow children to learn in challenging and meaningful ways that lead to fun-filled aha! moments. When play is nurtured, children thrive and develop a love of learning that lasts a lifetime.

INSTILLING A SENSE OF BELONGING
The Museum is a gathering place where children and families come together and connect, fostering new friendships and links within the community. Now more than ever, connectedness is a vital part of well-being for both children and adults.

VIRTUAL OFFERINGS
The Museum’s virtual programming provides STEAM learning opportunities to children and families locally and across the nation. First developed in response to providing playful learning experiences safely during the COVID pandemic, the Museum quickly recognized the critical value of virtual learning as a tool for the future.
Community Benefits

A UNIQUE AND VITAL COMMUNITY RESOURCE
- Makes playful learning available for families living in Snohomish County and the Puget Sound region.
- Offers a fun and affordable learning environment year-round, rain or shine.
- Provides a wholesome child-centered gathering place for providers serving children, including youth organizations, social service agencies, school groups and shelters.
- Supports our schools’ educational efforts through enrichment programs, helping to ready tomorrow’s workforce.
- Provides literary, cultural, visual and performing arts, and STEM (science, technology, engineering and math) access that is often not available or affordable in Snohomish County.
- During the Museum’s pandemic closure, Museum staff re-envisioned some of the most popular on-site activities—balance/center of mass, watercolor painting, light and color filtering, and static electricity—as creative STEAM activity kits to go.

A HUB FOR VOLUNTEERS, PARTNERS AND COLLABORATIONS
- Creates opportunities for students, business professionals, community members and seniors to volunteer, sharing their expertise and developing new skills.
- Collaborates with businesses and organizations to support the work of the museum and the well-being of children and families in our community.
- Partners with national and local organizations:
  - National Cultural Competency Learning Institute
  - NASA Museum Alliance
  - Thrive Washington’s “Discoveries from the Field” Consortium
  - Science Beyond the Boundaries, National Early Learners Collaborative
  - National Informal STEM Education Network

AN ECONOMIC DRIVER
- Makes Snohomish County a family-friendly community – a great place to work, live & play.
- Draws visitors from Snohomish County, throughout Washington, all 50 states and internationally – a destination tourist attraction.
- Supports community development and revitalization.
Respected Leaders in the Field

A GRASSROOTS ORGANIZATION
Imagine Children’s Museum is a 501(c)3 nonprofit
Tax ID #94-3153591

ACREDITED INSTITUTION
In 2017 Imagine achieved American Alliance of Museums accreditation, the highest national recognition afforded the nation’s museums. Accreditation brings recognition to Imagine for its commitment to excellence, accountability, high professional standards and continued institutional improvement. Of the 33,000 museums in the U.S., just over 1,000 have earned the distinction of accreditation and fewer than 20 are children’s museums. Imagine is proud to be the first accredited children’s museum in the Pacific Northwest.

“Accreditation is clearly a significant achievement, of which both the institutions and the communities they serve can be extremely proud.”
Laura L. Lott, Alliance President and CEO

FISCAL RESPONSIBILITY RECOGNIZED
Imagine has earned its fourth consecutive 4-star rating from Charity Navigator, America’s leading independent evaluator of charities, for financial health, accountability, and transparency. “Only 18% of the charities we evaluate have received at least four consecutive 4-star evaluations. This exceptional designation sets Imagine apart from its peers and demonstrates to the public its trustworthiness.”
Michael Thatcher, Charity Navigator President & CEO

PROFESSIONAL AFFILIATIONS
- American Alliance of Museums (AAM)
- Association of Children’s Museums (ACM)
- Northwest Association of Youth Museum (NWAYM)
- Association of Science-Technology Centers (ASTC)
- National Association for the Education of Young Children (NAEYC)
- Snohomish County Early Learning Coalition (ELC)
- Snohomish County STEM Network
Making the most of our Financial Resources

Highly respected for integrity, fiscal management and oversight

Operating Revenues ............... $3,312,162
10%  Admissions/Programs
44%  Contributions
  9%  Memberships
  2%  Museum Store
35%  Other – PPP Forgiveness, ERTC & Special Event

Operating Expenditures ........ $1,900,589
84%  Program
  9%  General/Management
  7%  Fundraising

Operating Reserves ............... $2,653,703
  4%  Temporarily Restricted
  96%  Unrestricted

Endowment .............................. $1,622,042
Quasi Endowment ................... $4,890,774
