Imagine Children’s Museum is more than meets the eye. The new Expansion is a landmark visible expression of our commitment to children, but our impact on individual lives is as varied as our countless programs, which:

STRENGTHEN FAMILY BONDS
Exhibits, programs and activities are designed to engage children ages 1-12 and accompanying adults important in the child’s life. Caring adults are a child’s first play partner, teacher and role model.

SPARK CREATIVITY AND CURIOSITY
Unique exhibits spark imaginations, pique curiosity, encourage problem solving, promote cooperative play and are “fun” for the young and young-at-heart.

INFUSE FUN INTO LEARNING
Art, culture, history, science, health and other subjects are injected with a WOW factor, ensuring that learning is fun for all.

CELEBRATE DIVERSITY AND OPENING WINDOWS TO THE WORLD
Cultural events and activities allow children to experience the world with increasing awareness, understanding and mutual respect.

BUILD LIFE-LONG RESILIENCY
Museum play provides a myriad of experiences that allow children to interact with others. Early interactions are the foundation for how children respond to challenging situations throughout their lives. Through play, caring adults become active participants in the child’s development.

EMBRACE EQUITY
Focused programs meet the needs of a variety of special groups who are often underserved. Examples include Sensory Time (for children on the autism spectrum and with other special needs), summer Discovery Club (reading intervention), GRANDfamilies, and Afterschool Science Clubs.

ELIMINATE BARRIERS
Free & reduced admissions remove financial road blocks. Bilingual staff, programs and materials create a welcoming environment. Exhibits are thoughtfully designed to enable intuitive playful interaction, removing language and reading barriers.

CULTIVATE LIFE-LONG LEARNING
Playful Museum experiences allow children to learn in challenging and meaningful ways that lead to fun-filled aha! moments. When play is nurtured children thrive and develop a love of learning that lasts a lifetime.

INSTILL A SENSE OF BELONGING
The Museum is a gathering place where children and families come together and connect, fostering new friendships and links within the community. Now more than ever, connectedness is a vital part of well-being for both children and adults.

Get Involved!
Become ambassadors for Imagine Children’s Museum in our community. Here are some actions you can take to ensure Imagine will continue to delight families for years to come:

• Serve on a committee
• Sponsor an event
• Fund a program
• Donate a field trip or family membership
• Direct your IRA or retirement account’s Required Minimum Distribution (RMD) contributions to Imagine Children’s Museum
• Name Imagine as a beneficiary in your will

• Renew your annual membership
• Host an After-Hours party
• Book a field trip
• Give a membership to a friend
• Shop at Adventure Toys, our Museum store

Email Info@ImagineCM.org for more information about any of these ways to get involved!

From the Director
As we get ready for the first summer in our newly expanded Museum, we look forward to serving new families from throughout Washington and beyond. Our members know that summer is the perfect time to visit Imagine. Whether cooling off while exploring 60,000 square feet of air-conditioned exhibits or enjoying the outdoors in our Tall Timbers Rooftop Adventure, we offer a spacious playful learning facility that’s perfect for families in any weather. So whether it’s raining, scorching hot, or smokey outside, our members know they can always comfortably explore Imagine’s vast playful learning exhibits.

We have memberships to suit every family. Not only do members enjoy a full year of free admission, they also get discounts on classes and camps, plus 10% off all purchases from Adventure Toys, our Museum store. Tell a friend or neighbor! We hope you’ll spread the word about Imagine with other families with young children ages 1-12. Our members come from countless cultures and all walks of life.

I’d love to hear what your membership means to you, and how it has enriched your family. If you have a story to share, please reach out to me at NancyJ@ImagineCM.org or (425) 258-1006, ext. 1013.
