

FOR IMMEDIATE RELEASE

Imagine Children's Museum Celebrates Milestone 4 Millionth Visitor with a Bubble Extravaganza

Everett, WA – August 28, 2024 – Imagine Children's Museum, located in downtown Everett, is thrilled to announce an exciting milestone: we welcomed our 4 millionth visitor! To mark this significant achievement, the museum held a spontaneous celebration that was both joyous and unforgettable.

When Aaron, the 4 millionth visitor walked through our doors, he was greeted with a free lifetime membership to the museum, symbolizing our appreciation for his role in this incredible milestone. In addition, we hosted a "Million Bubble Salute" on our rooftop playground—a 15-minute dance party where millions of bubbles cascaded from seven bubble machines, celebrating this achievement with visitors.

"I love thinking about really big numbers, and when I found out we would welcome our 4 Millionth visitor to Imagine, I was blown away!" said Elizabeth (Elee) Wood, PhD, Chief Executive Officer at Imagine Children's Museum. "Think about what that means—4 million pairs of hands and 4 million brains all having fun playing and learning about the world. That's a lot of love over the last 30 years. Imagine what we can do with that!"

During the bubble party, Elee added, "We are thrilled to have our 4 millionth visitor today! And even better, he came with a family friend group! And we have a million bubbles here on the rooftop!"

Raelynne, the mother of the group that included the 4 millionth visitor, shared her excitement: "This has been an awesome and fun day, and it turned extra fun!" This visit marked Aaron's second trip to the Museum, an experience that will not soon be forgotten. Museum visitors joined in on the fun, dancing to the music and enjoying the bubbles that took over the rooftop. What an excellent and energetic morning!

The pop-up event featured family-friendly activities, music and of course, an abundance of bubbles.

Event: Celebrated our 4 Millionth Visitor with a Million Bubble Salute

Date: August 28, 2024
